

Full Size Drawings

Selection of the appropriate size wheel/track for a given application is often made initially by reference to the physical size of the product as opposed to load capacity.

These full size sections will help with the selection process prior to checking the load/life which can be checked on pages 4 & 5.

Full size drawing for size '4XL' wheel available on request.

Please refer to the full DualVee® catalogue for other size options, accessories & Load/Life details

For further information on HepcoMotion® products please request our leaflet 'FPL' or visit www.HepcoMotion.com
